

DIRECTOR OF ECONOMICS AND ENVIRONMENT

INTERNATIONAL COPPER STUDY GROUP (ICSG)

The International Copper Study Group, an inter-governmental organization based in Lisbon, Portugal is seeking a Director of Economics and Environment.

The position requires a good understanding of international economics and extensive economic policy experience regarding the analysis of economic and environmental issues relating to copper as well as the ability to prepare and present publicly detailed reports of a high standard. Although not a prerequisite, experience in the minerals or metals industry would be valuable.

The successful applicant must be able to work flexibly in a small professional team, be willing to travel, possess tertiary qualifications in a relevant field, and be fluent in English.

The starting salary will depend on the applicant's qualifications and experience. Benefits include a Provident Fund, six weeks of annual leave and a relocation allowance where applicable.

Applications with Curriculum Vitae should be forwarded by email to mail@icsg.org by no later than 31 July 2023.
